General Transportation Information

The Villanova Conference Center is located a mile from the Villanova University campus. Villanova is located a few miles outside of Philadelphia. The University is easily accessible by plane, train or automobile. The Philadelphia International Airport is approximately 25 minutes away by car and the Villanova train station is located right on campus. The University is served by the Southeastern Pennsylvania Transportation Authority (SEPTA) R5 Paoli/Thorndale line out of 30th Street Station, which also serves as Philadelphia's Amtrak hub. A train is available from the airport into the 30th Street, where you can transfer to the Paoli/Thorndale (previously R5) line. SEPTA schedules are available at www.septa.org. Taxi and shuttle service is available from the airport to the Conference Center. We can arrange transportation from the Villanova train station to the Conference Center, if requested.

The Villanova Conference Center enhances the learning and meeting environment with excellent accommodations, dining and recreational activities. We are confident that the Conference Center will meet and exceed the expectations of CHERC. Additional information on the Conference Center is available at: <http://www.villanovaconfctr.com>
