The Villanova Conference Center is located a mile from the Villanova University campus. Villanova is located a few miles outside of Philadelphia. The University is easily accessible by plane, train or automobile. The Philadelphia International Airport is approximately 25 minutes away by car and the Villanova train station is located right on campus. The University is served by the Southeastern Pennsylvania Transportation Authority (SEPTA) R5 Paoli/Thorndale line out of 30<sup>th</sup> Street Station, which also serves as Philadelphia's Amtrak hub. A train is available from the airport into the 30<sup>th</sup> Street, where you can transfer to the R5 line. SEPTA schedules are available at [www.septa.org](http://www.septa.org). Taxi and shuttle service is available from the airport to the Conference Center. We can arrange transportation from the Villanova train station to the Conference Center, if requested.
